Below is a communication from the EXAMINER in charge of this application

COMMISSIONER OF PATENTS AND TRADEMARKS

ADVISORY ACTION

THE PERIOD FOR RESPONSE: a)			
b)	□ TH	THE PERIOD FOR RESPONSE:	
Any extension of time must be obtained by filing a petition under 37 CFR 1.136(a), the proposed response and the appropriate fee The date on which the response, the petition , and the fee have been filed is the date of the response and also the date for the purposes of determining the period of extension and the corresponding amount of the fee. Any extension fee pursuant to 37 CFR 1.17 will be calculated from the date of the originally set shortened statutory period for response or as set forth in b) above. Appellant's Brief is due in accordance with 37 CFR 1.192(a). Applicant's response to the final rejection, filed has been considered with the following effect, but it is not deemed to place the application in condition for allowance: The proposed amendments to the claim and /or specification will not be entered and the final rejection stands because: a. There is no convincing showing under 37 CFR 1.116(b) why the proposed amendment is necessary and was not earlier presented. b. They raise new issues that would require further consideration and/or search. (See Note). c. They raise the issue of new matter. (See Note). d. They are not deemed to place the application in better form for appeal by materially reducing or simplifying the issues for appeal. e. They present additional claims without cancelling a corresponding number of finally rejected claims. NOTE: Newly proposed or amended claims without cancelling a corresponding number of finally rejected damendment cancelling the non-allowable claims.	a) 🗌	is extended to run or continues to run from the date of the final r	ejection
In the date of the response, the petition, and the fee have been filled its the date of the response and also the date for the purposes of determining the period of extension and the corresponding amount of the fee. Any extension fee pursuant to 37 CFR 1.17 will be calculated from the date of the originally set shortened statutory period for response or as set forth in b) above. Appellant's Brief is due in accordance with 37 CFR 1.192(a). Applicant's response to the final rejection, filed	b) 🗀	expires three months from the date of the final rejection or as of the mailing date of this Advisory Action, wherever the statutory period for the response expire later than six months from the date of the final rejection or as of the mailing date of this Advisory Action, where expires the statutory period for the response expire later than six months from the date of the final rejection or as of the mailing date of this Advisory Action, where expires the statutory period for the response expires that the statutory period for the response expires the statutory period for the response expires that the statutory period for the response expires that the statutory period for the response expires the statutory period for the response expires that the statutory period for the response expires that the statutory period for the response expires that the statutory period for the response expires the statutory period for the response expires that the statutory period for the response expires the statutory period for the response expires that the statutory period for the response expires the statutory period for the response expires that the statutory period for the response expires the statutory period for th	nichever is later. In no nal rejection.
Applicant's Prief is due in accordance with 37 CFR 1.192(a). Applicant's response to the final rejection, filed		purposes of determining the period of extension and the corresponding amount of the fee. Any extension	also the date for the
1. The proposed amendments to the claim and /or specification will not be entered and the final rejection stands because: a. There is no convincing showing under 37 CFR 1.116(b) why the proposed amendment is necessary and was not earlier presented. b. They raise new issues that would require further consideration and/or search. (See Note). c. They raise the issue of new matter. (See Note). d. They are not deemed to place the application in better form for appeal by materially reducing or simplifying the issues for appeal. e. They present additional claims without cancelling a corresponding number of finally rejected claims. NOTE: Newly proposed or amended claims would be allowed if submitted in a separately filed amendment cancelling the non-allowable claims.	□ Ar		
a. There is no convincing showing under 37 CFR 1.116(b) why the proposed amendment is necessary and was not earlier presented. b.
